- 1 Full-time salary minimum is based on the Equitable Compensation Commission's base salary plus service increments. A chart of the appropriate minimum salary for the current year can be found on the conference website.
- 2 See Eligibility Chart on the conference website.
- 3 See BWC Council on Finance and Administration/Equitable Compensation Criteria on the conference website
- 4 Worship attendance minimums are approximate. They must be weighed against the financial status of the congregation and whether the minimum number is able to meet the financial needs of the congregation. Note that there are congregations with 100 in attendance that cannot support a full-time package.

## Other Considerations

- All full-time clergy appointed to a full-time charge shall be provided either a parsonage or a housing allowance
- When a parsonage is provided, the General Board of Pension & Health Benefits requires that it be valued at 25% of base salary for pension benefit computation purposes.
- A pastor living in a parsonage may have a Housing Exclusion; a pastor living in his/her own home may take advantage of a Housing Exclusion in addition to a Housing Allowance. This can be accomplished by passing a resolution designating an amount greater than the housing allowance listed on the compensation package.
